3 . CTH of the category cited in Column No. 5 is given in the annexure to this Public Notice.

4. The Chartered Engineers empaneled by the Commissioner of Customs, Tuticorin are required to prepare their report with Professional expertise, integrity and fairness and as per the instructions contained in CBIC Circular No. 07/2020- Customs dated 05.02.2020, after thorough verification/examination of goods. They are further required to submit yearly Self Appraisal Report containing the full description of the machineries examined and the value appraised by them and submit the same to the Commissioner of Customs before 30th April of every financial year so as to assess their performance and to decide as to whether they are fit for continuing in the panel of Chartered Engineers the next year.

4. If self-appraisal is not submitted in time or found involved in any offence relating to Customs classification/valuation etc., their empanelment is liable to be withdrawn.

5. The importers/Custom Brokers may make use of the services of any of the empaneled Chartered Engineers for the valuation of the machinery/goods referred by the Customs Department. The service charges claimed by the Chartered Engineers for the valuation done by them shall be borne by the importers. At the same time, the certificate issued by the empaneled engineers will be advisory in nature and shall not be binding on the department.

6. This Public Notice supersedes all earlier Public Notices issued by this Office regarding empanelment of Chartered Engineers. This panel is valid for a period of one year from the date of issue and will be reviewed thereafter.

7. Difficulties if any, may be brought to the notice of this office.
