1. The Valuer should have experience in valuation of goods
2. The valuer should be a specialist in the field of Mechanical / Electrical / Chemical /Machinery / Electronics/ Textiles and other fields
3. The Valuer should be Central Government Approved Chartered Engineer for the purpose of valuation.
4. The valuer should not have been black listed by any government agency or involved in any offence.
5. The Valuer should have sufficient human / material / technical resource.

Scope of work for the chartered engineer / approved valuer

1. The valuation report submitted by the valuer shall specify (a) whole sale Market price and (b) margin of profit, based on the condition of the goods, the fact that no warranty and after sale service is attached to the goods, the size of the consignment etc.
2. The valuer will provide full details of the basis of valuation in their report including physical description and condition of package and storage along with photographs.
3. The valuer will be responsible for the finding/suggestions/ implications of their report on the assignments allotted.
4. The Valuer will take all necessary steps to ascertain the correct valuation including taking samples if considered necessary.
5. The Valuer will maintain secrecy of the work assigned to him and his report on valuation. He shall not divulge any information that he may come across at any stage of valuation to others.

Term and conditions of the TENDER and the work

1. The valuer should undertake to inspect the goods with due care and diligence without damaging the goods being inspected.
2. The Valuer should undertake to complete the valuation work, including submission of valuation certificate, within two weeks from date of receipts of intimation of particulars of goods to be valued.
3. On approval of the tender the approved Valuer has to enter into an agreement with the Asst. Commr. of Customs (Disposal) agreeing to the terms and conditions, swearing to abide by the terms and conditions and other legal requirements and the agreement shall be valid for a period One year of the order of the approval of the tender.
4. The approval of the tender does not automatically amount to an appointment or right for an appointment to be made by this office. This office is free to employ any valuer of its choice and no right exists for the approved valuer to claim that he alone should be entrusted with the valuation of the goods.
5. The Valuer will maintain secrecy of the work assigned to him and his report on valuation. He will not divulge any information that he may across at any stage of valuation to others.
6. The validity of offer shall remain for a period of six months from the date of offer.
7. The Tuticorin customs reserves the right to rescind the contract without assigning any reasons.
8. The price offer includes all the activities in the process of valuation. No sum other than the accepted sum will be paid to the chartered engineer/ approved valuer for the work done and valuation report submitted.
9. Payment will be made after the submission of valuation report only.

I/we have read, understand and accept the terms and condition.
