C.No. VIII/48/61/2012-Cus.Pol.

Date: 19.12.2013

FACILITY INTIMATION No. 14 / 2013

Subject: Procedure for granting single factory stuffing permission (SFSP) to manufacturer-exporters and merchant-exporters valid for all Customs Stations -Reg.

Attention of the exporters, Customs Brokers and the Trade at large is invited to the Board's Circulars 90/98-Cus dated 08.12.1998, 60/2001-Cus dated 01.11.2001, 20/2010-Cus dated 22.07.2010 and Circular No. 952/13/2011-CX dated 08.09.2011, relating to stuffing of export containers under the supervision of Central Excise officers. The procedure for granting Single Factory Stuffing Permission (SFSP) shall be as given below.

2. All the exporters who wish to export through Tuticorin Port and / or ICD, Tuticorin and seek SFSP shall submit their application in duplicate, in **Annexure-A** of this intimation, directly to jurisdictional Assistant/Deputy Commissioner, Central Excise Division requesting him to forward the feasibility report to the Assistant Commissioner of Customs (Policy), Custom House, Tuticorin. The exporter shall fill in all details in the Annexure A and write "Not Applicable" if any field is not applicable to him. Further, as this is a one-time permission, valid for all Customs Stations in the country, the exporter shall furnish a list of Customs Stations from where he intends to export his goods. Copies of the following documents should be submitted along with the application:-

- (i) IEC issued to them by DGFT
- (ii) PAN Card and Central Excise Registration Certificate (if applicable)
- (iii) Status Holder Certificate (if any)
- (iv) RCMC certificate for non-excisable goods, if any.

All of these documents shall be duly certified by authorised signatory of the exporter. If any exporter has already been granted SFSP by any other Custom House in terms of CBEC's Circular No. 20/2010-Customs and such SFSP covers exports through Tuticorin, they should submit a copy of such SFSP to the Assistant Commissioner (Policy) immediately.

3. The jurisdictional Assistant/Deputy Commissioner, Central Excise Division shall forward the feasibility/verification report regarding the genuineness of the existence and functioning of the factory furnished by the exporter, in **Annexure-B** of this intimation. While forwarding the feasibility/verification report and recommending the factory stuffing permission, the jurisdictional Deputy/Assistant Commissioner, Central Excise Division is required to sign all the pages of the feasibility report. The feasibility/ verification report shall be forwarded directly to the Assistant Commissioner of Customs (Policy), Custom House, Tuticorin in a sealed cover along with one copy of the completed application of the exporter. The report to the Assistant Commissioner of Customs (Policy), Custom House, Tuticorin may be furnished within seven working days from the receipt of the application from the exporter by the jurisdictional Deputy/Assistant Commissioner, Central Excise Division.

4. In case the feasibility/verification report furnished by the Central Excise Authority is satisfactory, the Assistant Commissioner of Customs (Policy), Custom House,

Tuticorin shall issue the SFSP, in **Annexure-C**, of this intimation to the exporter within five working days of the receipt of the application from the exporter. All the permissions shall be given a unique running serial number to keep a track of such permissions granted.

5. The letter conveying SFSP shall be addressed, not only to the applicant exporter but also to the Jurisdictional Deputy/Assistant Commissioner, Central Excise Division who has recommended the permission. A copy each of the same shall also be circulated to all the Custom Houses for which the permission has been sought by the exporter. The letter shall mention the contact details of Central Excise formation concerned and the officer granting SFSP for real time verifications, if required.

6. The Central Excise officers supervising the examination and stuffing of the cargo are required to follow the EXAMINATION ORDER and INSTRUCTIONS TO THE FACTORY STUFFING SUPERVISING OFFICERS OF CENTRAL EXCISE as given in **Annexure-D** to this intimation. The Central Excise officer shall furnish a detailed examination report duly certified in the proforma in **Annexure-E** to this intimation. As the containers sealed by the Central Excise Officers are not invariably opened for examination by the Customs at the port of exportation, it shall be the responsibility of the Central Excise Officer who supervises the stuffing, to examine the eligibility of the goods to the export incentives claimed by the exporters. To this end, the Central Excise Officer may call for the check list of the shipping bill filed by the Customs Broker/Exporter at the port of exportation. The Annexure-E should carry a specific certification in this regard from the said Central Excise Officer. **The Central Excise officer shall also mention his office contact number and put his stamp of name and designation in the examination report, ARE-1 and other documents. Similarly, the contact number, name, designation of the authorised signatory of the exporter also will be legibly indicated below his signature in the export documents.**

7. The exporter clearing the goods under the Single Factory Stuffing Permission (SFSP) shall invariably produce, at the time of goods registration at the port of export, a copy of the letter of SFSP duly attested by the jurisdictional Central Excise officer along with the ARE-1 and other documents w.e.f. 01.02.2014. The goods registering officer posted in the export shed/ CFSS will cross check the validity of the factory stuffing in the EDI system.

8. The attention of the exporters, Customs Brokers and the Trade at large is also invited to the following:-

(i) A single factory stuffing permission (SFSP), valid for all the Customs Stations from where the exporter proposes to export, shall be granted by the Assistant Commissioner of Customs (Policy), Custom House, Tuticorin to all the eligible exporters.

(ii) In the case of manufacturer-exporter, in terms of Board's Circular No 860/18/2007-CX dated 22.11.2007, self-sealing of export of goods has been made mandatory for the manufacturer - exporters (whether status holder or not) who export such goods under free shipping bills. Hence, letter of SFSP will not be granted to the manufacturer-exporters exporting goods under free shipping bills. The self sealing/certification facility has also been extended to units engaged in the export of non-excisable agricultural products who export such goods under free shipping bills under Board's Circular No 892 /12/ 2009-CX dated 23.7.2009. Therefore, they are not required to obtain permission for factory stuffing from Customs for export under free shipping bills. They can self-seal the goods. However, they can opt for factory stuffing of export goods for export under export incentive schemes.

(iii) In all cases, the letter of SFSP will be granted only on receipt of verification report/No Objection Certificate from the jurisdictional Central Excise authorities regarding deputing officers for supervising the export stuffing and confirming genuineness of the existence and functioning of the exporter, their manufacturing unit or of the supporting manufacturer and its manufacturing unit.

(iv) In case of merchant-exporters, the permission shall be granted for the following goods:-

- a) All goods in the factory of production whether or not such goods are excisable;
- b) Perishable frozen sea foods/fish/meat/similar items and agricultural/horticulture and similar goods;
- c) Articles of foods and pharmaceutical goods which require specialized packing in order to be protected from contamination, deterioration, etc;
- d) Glassware and similar articles of fragile nature.

(v) In case of merchant-exporters exporting from Tuticorin port for the first time, as a preventive measure, the genuineness of the merchant exporters shall be re-verified at the time of export by the Assessing Officer w.e.f. 01.02.2014 by the scrutiny of any three of the following documents submitted by the exporter or his Clearing Agent (Customs Broker) to the Assessing Officer concerned:

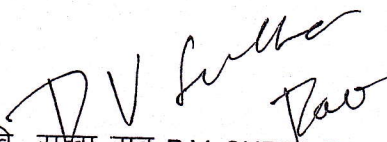

- a) Copy of VAT/Sales Tax Registration/Exemption certificate.
- b) A certificate from the Bank with whom the Bank Account is being maintained for the purpose of remittance of foreign exchange to the effect that account is being maintained satisfactorily.
- c) Where the bank account is less than 3 months old, details of other bank Account held by the merchant exporter.
- d) Details of past exports made from other ports if any.
- e) Balance sheet of the previous year.
- f) Copy of the last Income Tax Return/VAT or Sales Tax Return filed.

(vi) Though the SFSP granted to an exporter, is one time, the track record will be monitored and reviewed periodically. The SFSP may be cancelled forthwith in case of any misuse and any proceedings under Customs, Excise, Service Tax or any other allied Acts are initiated against him.

9. The SFSP shall be granted for stuffing under the Central Excise supervision only. All the Factory Stuffing Permissions, if any, already granted in the jurisdiction of this Commissionerate shall be deemed to have been withdrawn on 31.01.2014. Hence, such exporters who wish to avail of the one-time SFSP shall apply afresh in accordance with the procedure prescribed above, along with the copies of permission already granted to them, immediately so that they can continue to avail of the facility.

10. MOT charges as applicable shall be paid by the exporters for all the premises whether registered with Central Excise or not, if the services are provided by the Central Excise Officers beyond the normal working hours.

11. In case of any difficulty in getting onetime SFSP the matter may be brought to the notice of the Assistant Commissioner of Customs (Customs Policy), Custom House, Tuticorin at 0461-2353879 (or) ranjith.devarajan@gmail.com and in case of difficulty in export of consignments, the same may be brought to the notice of Shri Balmukund, Assistant Commissioner of Customs (Exports), Custom House, Tuticorin at 0461-2352895 (or) balmukund.acc@gmail.com.

Assistant Commissioner of Customs (Policy)

Annexure-D

(Facility Intimation No. 14/ 2013 of the Commissioner of Customs, Custom House, Tuticorin

MODEL EXAMINATION ORDER

- i. Examine as per the instructions under Board's Circular 6/2002-Customs dated 23.1.2002, as amended;
- ii. Verify that the goods are as per particulars in invoice and packing list;
- iii. Inspect container no. (as declared on invoice) ; verify empty container
- iv. inspect lot, check marks and numbers and ensure they match the declaration in invoice and packing list; examine 10% after selection (or as applicable in terms of Circular above);
- v. check description, classification, quantity, weight, value and quality, specification, technical characteristics, grade size, weight, thickness, items nos., part nos., make model, composition etc.;
- vi. draw representative sample in duplicate and forward the same to the CFS/ICD/port concerned duly sealed;
- vii. ensure one time tamper proof bottle sealing in terms of the Board's circular No. 1/2006 dated 02.01.2006 (F. No. 450/86/2005-Cus-IV);
- viii. verify ISPM No. 15 compliance(see Board's circular No. 14/2009-Cus dated 6.5.2009);
- ix. verify eligibility and correctness of incentive claimed under any Export Promotion scheme(refer various export promotion schemes in the prevailing Foreign Trade Policy and corresponding Customs duty exemption notification);
- x. Verify and ensure that the goods being exported / stuffed are not part/components of arm/ammunition and do not contain any prohibited items (see prevailing Export Policy in ITC(HS) Classifications of Export & Import Items).

INSTRUCTIONS TO THE FACTORY STUFFING SUPERVISING OFFICERS OF CENTRAL EXCISE

1. Package numbers opened and examined by the officers must be recorded in the examination report.
2. Net weight/quantity of the goods and their classification under Customs Tariff/Central Excise Tariff, actually ascertained by the examining officers must be recorded in the examination report.
3. Invoice and packing list should also be authenticated by way of signatures by the officers on the obverse of such documents.
4. Please ensure that there is no prohibition/restriction on export of goods either by DGFT or CBEC or any other Department as on the date of stuffing. This permission does not confer any right to export any restricted or prohibited goods without complying with the relevant conditions, imposed under any Notification/Export Policy/Rules/Law.
5. Wherever necessary, Central Excise Certified copy of the exporter's in house test/analysis report must be enclosed with examination report. Representative sealed sample in duplicate must however be forwarded to AC (Export), invariably for future reference/record.
6. Any discrepancy sought to be brought to the notice of Customs Authorities must be mentioned boldly in Red Ink/Typing.
7. The Single factory stuffing permission No. and date issued to the exporter must be cited in examination report. The permission for factory stuffing is valid for the description of goods mentioned in the permission letter.
8. The Pre – Shipment Inspection Certificate issued by the Export Inspection Agency under the Export (Quality Control & Inspection) Act, 1963, if applicable, is to be verified.
9. Whenever the goods are exported under Advance License/DEEC scheme, Chartered Engineer's Certificate is to be verified to the effect that the goods under Exports are manufactured out of exempt materials as per SION norms.
10. If anything adverse is noticed against the exporter/supporting manufacturer, the same may be brought to the notice of Assistant Commissioner (Policy), Custom House, Tuticorin.
11. PHO/PQ certificate or any other certificate as applicable shall be produced at the time of examination / stuffing of goods.
12. Please compulsorily verify as to whether the raw or solid wood packaging material(SWPM) used for packing of the export goods are treated and marked as per the provisions of International Standards for Phytosanitary Measures(i.e ISPM No. 15) or the export goods are accompanied by a **Phytosanitary Certificate** issued by agencies accredited or certified by Department of Agriculture and Cooperation(DAC). (see <http://agricoop.nic.in>). In case of non-compliance, the matter may be referred to the Plant Quarantine authorities for proper treatment of export goods before their release, as required under Board's Circular No. 14/2009-Cus dated 06.05.09 under intimation to this office.
13. The examination report is required to be furnished in the proforma "E" annexed to this intimation (annexure "C1" of the board's circular 6/2002 customs dated 23.1.2002 refers).
14. The contact telephone number of the examining officer should also be mentioned in the export report for seeking clarification if necessary.
